Dear Mr. Mage,

On behalf of the American Trucking Associations (ATA) and the Technology & Maintenance Council (TMC), I want to send my sincere appreciation for your contribution to the success of the 2021 TMC Fall Meeting Social Event. Our success could not have happened without your hard work and excellent service, from the early planning stage up until the day of the event.

Michael, you were a delight to work with! We appreciated the flexibility, professionalism and amazing performance you put on for the attendees; they have not stopped raving about your positive attitude and high energy. Please also extend our gratitude to your teammate, Billy Matsumoto for his appearance and involvement.

Thank you again for your time and assistance in providing a great show. We wish you continued success in 2021 and beyond. Please stay safe and healthy.

Sincerely,
